

# EASTER EGG HUNT 2024

I wanted to share a few words about the CHIJ Easter Egg hunt. My daughter is currently in P3, and since she joined CHIJ, I've actively participated as a Parent Volunteer (PV) in approximately 15 events. Each of these occasions has left a lasting impression on the girls, creating moments of excitement and anticipation—especially within our own home.

The recent Easter Egg hunt was meticulously planned, allowing PVs to execute their roles seamlessly. As a result, we could relax and engage in pleasant exchanges during the activity. I noticed more smiles and laughter among the PVs than in previous events. This positive atmosphere extended to the girls, enhancing their overall experience.

While the hunt was exhilarating, I have one suggestion: consider enlarging the hunting areas and adding a few more eggs. Doing so would sustain the excitement throughout the entire duration. Our girls were lightning-fast at locating the hidden treasures! Looking ahead, I eagerly anticipate participating in more events. CHIJ has had a profoundly positive impact on my child, and these special occasions provide something unique that cannot be replicated in a classroom. I am genuinely grateful and committed to supporting in any way I can.

Thank you.
