

1 February 2024

Welcome!

Warmest greetings from the Central Parent Council of CHIJ Toa Payoh to everyone and best wishes to all for a wonderful and fulfilling New Year.

In 2024, we continue to partner with the school to embrace all our girls and welcome them into the IJ Family. In CHIJ Primary School Toa Payoh, our girls will learn, grow, and lead to become Effective Leaders through Holistic education and guided by our school's CHRIST Values of Courage, Humility, Respect, Integrity, Steadfastness, and Thoughtfulness.

The CPC works closely to support the good work of the school to create partnerships between IJ parents, and the school to help all students in CHIJ Primary to succeed in school and life.

Throughout the year, our school organizes many programmes and celebration activities, such as Lifeskills and Children's Day, where parents have the opportunity to engage and support our girls in their learning journey. We also welcome parents to provide pastoral support and join us in events such as Exam Vigil and Easter celebration so that we can support our girls by praying for them.

*"I have no greater joy than this, to hear that my children are walking in the truth."(3 John 4)*

You can play a part! Every person matters, and your efforts will contribute to creating a loving and vibrant IJ family. We look forward to another exciting and enriching year together as parent volunteers of the IJ Family!

God Bless,

## **INTRODUCTION**

2024 marks a significant milestone of our school's history as we celebrate the the 170th anniversary of CHIJ schools in Singapore

As we celebrate together with our school, the CHIJ Central Parent Council (CHIJ CPC) has launched a refreshed look as we look ahead to more collaborations with the school and seek to enhance the IJ experience our girls can enjoy today and for many generations of girls to come.

## **LOGO WRITE-UP**

The logo mark takes on the shape of a heart, representing our motivation to always act with love and sincerity. The colours blue and red represent the CHIJ school colours and the blood relationship between parents and their children. Our hands are held together and combined with the school, represented by a blue ribbon, to form a complete heart, emphasizing the important influence of both family and school on the holistic development of our girls.
