

EASTER PLAY 2024

“Love in Action: Following Jesus’ Example”

As the curtains drew open during our Easter play, a powerful message unfolded before us. We witnessed Jesus, the embodiment of love and compassion, humbly washing the feet of His disciples. In this simple act, He conveyed a profound truth: love is not just a sentiment; it’s a verb—an action that serves others selflessly.

Jesus taught us good examples us on how to make good choices in daily lives.

EASTER PLAY 2024

It has been a privilege to return to CHIJ, where I had studied for 10 years, this time to serve as a parent volunteer. Working behind the scenes for the annual Easter play allowed me to witness the sheer dedication and support from the IJ parent community. I have been blessed to have met many friendly and like-minded parents who serve wholeheartedly in school with their precious time and effort, creating a supportive community where shared values and goals drive collaborative efforts to provide the girls with a holistic and loving environment. Every moment spent contributing to the production over the course of 8 weeks was infused with a sense of nostalgia and fulfillment, knowing that I was playing a small part in fostering the same enriching experiences and strong foundation that CHIJ had provided me, for my daughters and this generation of IJ girls.

Cheryl & Henry Ramas as Easter Play Director
Parents of Janella Grace Ramas P1 Lily

Behind the scenes of our play, dedicated parent volunteers have poured their hearts into making this production a reality. Their tireless efforts, rehearsals, and commitment to remembering lines have brought this story to life. To our teachers Madam Ong, Ms. Liu, and Mrs. Tan, our exceptional director, cast and crew we extend our heartfelt gratitude. Your guidance and passion have elevated our performance.

As the final applause echoes through the hall, let us carry this message beyond the school. May our lives be a living testament to love in action, just like our Founding Father Nicholas Barre and Mother Mathilde did. And so, with gratitude and joy, we proudly present this Easter play—a celebration of love, sacrifice, and the enduring legacy of Jesus' example. Simple Dan Ma Vertu, Forte Dans Mon Devoir!
