

PSLE MASS AND VIGIL

The PSLE Prayer Vigil 2018 was a wonderful time for parents to come together to pray for our daughters who were sitting for the PSLE. It was beautiful and touching that each and every girl sitting for the PSLE, regardless of her religion, had a candle marked with her name. Each candle was lit at the start of every examination and extinguished at the end of the examination each day, signifying the light of Christ and the wisdom of the Holy Spirit that we prayed would be with each girl as they sat for their first national examination. I could feel God's presence and love as we lifted each of the girls up in prayer. It is my prayer that God would continue to guide each of the girls and that, regardless of the PSLE results, each girls would be proud of her hard work and continue to trust in God who has a unique plan for each of them.

I would also like to express my deepest thanks and appreciation to the Central Parent Council and all who organised the PSLE Prayer Vigil for their time and dedication which provides us with the place and time to pray for daughters.
